

Administrative Report – February 2026

Period: February 2026

Department: Administration & Hospitality

Prepared by: Maureen Okey

Executive Summary

February recorded a gradual increase in operational activities as programs and partner engagements resumed. The department focused on maintaining efficient office operations, supporting events, and ensuring facility readiness. Administrative coordination, vendor management, and hospitality services were maintained to ensure smooth service delivery across the hub.

Front Desk & Visitor Management

Managed daily visitor flow, ensuring professional reception and proper documentation of visits. Received and processed official correspondence, invitations, and enquiries from innovators and prospective clients.

Administrative Coordination

Responded to internal and external enquiries promptly and maintained coordination with relevant teams regarding payments and operational activities.

Ensured staff welfare through the procurement of essential office supplies and VIP Lounge items.

Event & Partner Support

Supported training sessions, workshops, and partner engagements by coordinating logistics, refreshments, and on-site assistance (Learn2Earn).

Supported meetings for clients at the boardroom with refreshment also ensured readiness.

Facility & Procurement Management

Supervised janitorial services and ensured readiness of the VIP Lounge.

Coordinated procurement of office supplies and liaised with vendors for timely delivery of goods and services.

Reviewed and processed invoices, payments, and refunds to maintain good vendor relationships.

Key Outcomes

Maintained professional hospitality support for programs and visitors.

Ensured consistent facility cleanliness and operational readiness.

Improved vendor coordination and payment processing efficiency.

Processed timely refunds for security deposits, supporting positive client relations.

Recommendation

Engage temporary support staff during large events to assist with logistics and inventory handling.

Conclusion

The department maintained effective administrative support, facility management, and event coordination throughout February, ensuring continuous operations and improved service delivery and customer relations.
