

Hiring Plan (April 2025)

1. Objective

To recruit skilled professionals who align with the vision and goals of the Ilorin Innovation Hub.

2. Goals

- Fill all open positions within the next one month.
- Attract a diverse pool of candidates, considering gender and geo.
- Ensure a smooth and efficient recruitment process.
- Use Zoho People Plus for the entire digital hiring and onboarding process.
- Post job openings exclusively on LinkedIn to increase applicant quality.
- Conduct some interviews in-person when candidates are in Ilorin; others will be virtual or recorded video.

3. Staff Grade Structure (separate document)

4. Hiring Process & Timeline

Week	Key Hiring Activities	Interview Format
Week 1	Post job openings on LinkedIn via Zoho People Plus, start application review, and begin initial screenings.	
Week 2	Conduct first-round interviews and skill assessments for shortlisted candidates.	Mixed (Virtual/In-Person)
Week 3	Conduct final interviews (in-person for candidates in Ilorin, virtual for others) and reference checks.	Mixed (Virtual/In-Person)
Week 4	Issue offer letters, collect documentation, and complete digital onboarding via Zoho People Plus.	Fully Digital

5. Fully Digital Hiring & Onboarding Process

The entire hiring process will be **fully digital** using **Zoho People Plus** to streamline recruitment, selection, and onboarding.

1. Job Posting & Application Submission

- **Platform:** Jobs will be posted **exclusively on LinkedIn**.
- **Application Management:** Handled through **Zoho People Plus**.
- **AI-Powered Shortlisting:** Automated filtering of unqualified candidates.

2. Interview & Assessment Process

- **First Interview:** Conducted virtually via **Google Meet** or **Zoho Meetings** or submitted video.
- **Technical Assessments:** If needed, completed through **Google Forms** or **Zoho Assessments**.
- **Final Interview:** Conducted **in-person** for **Ilorin-based candidates**, virtual for others.

3. Offer & Documentation

- **Offer Letters:** Issued digitally via **Zoho Sign**.
- **Document Upload:** Candidates submit ID, academic certificates, and tax documents directly via **Zoho People Plus**.

4. Pre-Onboarding & IT Setup

- **HR Digital Onboarding Pack:** Sent via Zoho, including the Employee Handbook.
- **IT Account Setup:** Email and system access created before the start date.
- **Self-Paced Learning:** Pre-recorded onboarding materials provided.

5. First Week Onboarding & 90-Day Probation

- **Day 1:** Virtual Orientation via **Zoho Meetings**.
- **Role-Specific Training** with department leads.
- **Performance Check-Ins at 30, 60, 90 Days** via Zoho People Plus.
- **Confirmation of Employment** after successful probation period.

6. Tools for a Fully Digital Process

Stage	Tool Used
Job Posting & Application	LinkedIn + Zoho People Plus
Resume Screening & Tracking	Zoho People Plus (AI-powered)

Interviews & Assessments	Google Meet, Zoho Meetings, Google Forms
Offer Letter & Documentation	Zoho Sign, DocuSign
Pre-Onboarding & IT Setup	Zoho People, Zoho Mail, Google Drive
Orientation & Training	Zoho Meetings, Zoho Projects, Microsoft Teams
Probation Reviews	Zoho People Plus (30, 60, 90-day check-ins)

7. Key Advantages of This Hiring Plan

- **Fast & Efficient** – Entire hiring process completed within one month.
- **Selective & High-Quality** – Exclusive LinkedIn job postings ensure better applicant quality.
- **Fully Digital** – End-to-end process, from application to onboarding, is paperless.
- **Flexible Interviews** – Virtual interviews for most candidates, in-person for Ilorin-based applicants.
- **Seamless Onboarding** – Automated HR processes through Zoho People Plus.

8. Job Descriptions

Director of Programs

Summary

The Director of Programs is responsible for the strategic design, planning, and execution of all programs and initiatives at the Ilorin Innovation Hub. This role leads the development and delivery of impactful innovation, entrepreneurship, digital skills, and talent development programs that align with the hub's vision. The Director will ensure operational excellence, build strategic partnerships, and oversee program teams to drive measurable outcomes across all initiatives.

Key Responsibilities

- Design, oversee, and evaluate the hub's programs, including startup incubation, acceleration, fellowship programs, digital skills training, community initiatives, and industry collaborations.

- Lead strategic planning and ensure alignment between programs, impact objectives, and organizational goals.
- Manage program timelines, budgets, resources, and reporting in line with best practices and stakeholder expectations.
- Supervise program staff, mentors, facilitators, and external consultants; ensure efficient and effective program delivery.
- Oversee monitoring, evaluation, and learning (MEL) frameworks to track performance, impact, and participant outcomes.
- Collaborate with the Director of Operations to ensure efficient program budgeting and resource management.
- Build and manage relationships with government agencies, partners, funders, and other ecosystem stakeholders.
- Support fundraising and grant opportunities by contributing to proposal development and donor reporting.
- Represent the hub at external meetings, industry events, and policy dialogues as a thought leader in innovation and entrepreneurship.
- Identify and pursue opportunities for program growth, replication, and sustainability.

Skills & Requirements

- Bachelor's degree in a relevant field (e.g., Business, Public Policy, Development, Education, Technology). A Master's degree is an advantage.
- Minimum of 7–10 years of experience in program management, innovation ecosystems, or development initiatives.
- Demonstrated success in designing and managing high-impact programs, preferably in entrepreneurship, youth development, or tech-driven sectors.
- Strong leadership, organizational, and communication skills.
- Experience managing teams, budgets, and multi-stakeholder partnerships.
- Understanding of innovation ecosystems and trends across startups, education, technology, and government.
- Data-driven approach to monitoring and evaluating program performance.
- Ability to thrive in a fast-paced, collaborative, and evolving environment.

Community Manager

Summary

The Community Manager supports the development of a vibrant and inclusive ecosystem at the Ilorin Innovation Hub. This role helps foster relationships with

members, startups, and visitors, and assists with activities related to memberships, subscriptions, and facility usage.

Key Responsibilities

- Assist with organizing events, workshops, and networking activities.
- Support member onboarding, sign-ups, and subscription renewals.
- Help coordinate facility rentals and respond to space booking inquiries.
- Maintain accurate records of members and partners for internal use.
- Monitor and respond to community feedback via email or social media.
- Help create a welcoming atmosphere for visitors and resident members.
- Provide general support during programs and day-to-day community activities.
- Collaborate with the communications team to share updates and opportunities with the community.

Skills & Requirements

- Bachelor's degree in Business, Communications, Marketing, or a related field.
- 1–3 years of experience in community engagement, customer service, events coordination, or similar roles.
- Strong communication and interpersonal skills.
- Organized and detail-oriented, with the ability to manage multiple tasks.
- Comfort with digital tools, CRM systems, or spreadsheets is an advantage.
- Interest in community building, startups, or innovation is a plus.

Admin & HR Manager

Summary

The Admin & HR Manager is responsible for supporting administrative operations and basic HR processes at the Ilorin Innovation Hub. This role focuses on office coordination, documentation, and ensuring smooth day-to-day operations.

Key Responsibilities

- Assist in maintaining HR files and processing basic HR documentation.
- Support recruitment logistics, onboarding, and employee record-keeping.

Ahmadu Bello Way, GRA, Ilorin, Kwara State, Nigeria.

contact@ilorininnovationhub.com

www.ilorininnovationhub.com

- Coordinate meeting schedules, office supply procurement, and service provider relations.
- Maintain employee attendance and leave records.
- Help implement basic HR policies and ensure staff are aware of key procedures.
- Support payroll preparation by providing attendance and documentation updates.
- Assist in organizing staff engagement activities and internal communications.
- Provide general administrative support to the leadership team.

Skills & Requirements

- Bachelor's degree in Human Resources, Business Administration, or a related field.
- Excellent organizational skills and attention to detail.
- Good communication and coordination abilities.
- Familiarity with MS Office tools; HR software experience is a plus.
- Interest in HR and office management best practices.
- HR certification (e.g., CIPM, SHRM) is a plus.

Facility Manager

Summary

The Facility Manager helps ensure that the Ilorin Innovation Hub remains clean, safe, and well-maintained. This role focuses on supporting day-to-day facility operations and coordinating basic maintenance needs under supervision.

Key Responsibilities

- Conduct regular checks to ensure workspaces and common areas are clean, orderly, and functional.
- Report facility issues promptly and follow up on resolutions.
- Assist in scheduling and supervising basic repairs and maintenance.
- Maintain contact lists for vendors, contractors, and service providers.
- Monitor supplies and ensure facility materials are restocked as needed.
- Help enforce basic safety procedures and guidelines.
- Support logistics for events and room bookings as required.
- Maintain records of maintenance requests and completed work.

Skills & Requirements

- Bachelor's degree in Facility Management, Engineering, or a related field.
- Good organizational and problem-solving skills.
- Obsessive attention to detail and strong sense of responsibility and ownership.
- Basic understanding of facility operations and safety procedures.
- Comfortable communicating with vendors and service providers.
- Willingness to learn technical or safety-related processes.

Finance Manager

Summary

The Finance Manager is responsible for overseeing the financial health, budgeting, and compliance of the Ilorin Innovation Hub. This role ensures financial sustainability, transparency, and efficiency, while also supporting startups in managing funding-related processes. The Finance Manager will play a critical role in managing revenue, tracking funding opportunities, and ensuring smooth financial operations.

Key Responsibilities

- Develop and manage financial strategies to ensure the hub's sustainability and growth.
- Oversee budgeting, forecasting, and financial planning to align with organizational goals.
- Ensure accurate financial reporting and record-keeping, maintaining transparency and accountability.
- Manage membership fees, facility rentals, and other revenue streams in collaboration with the Community Manager.
- Oversee accounts payable, receivables, payroll processing, and expense management.
- Develop and implement financial controls to prevent fraud, mismanagement, and financial risks.
- Ensure compliance with tax regulations, financial laws, and reporting requirements.
- Prepare financial reports for management, stakeholders, and auditors.
- Support startups within the hub by ensuring financial processes related to funding, grants, and investor requirements are properly managed.
- Oversee financial documentation, compliance, and reporting for startups that receive funding or grants.

- Manage relationships with banks, auditors, and financial institutions.
- Identify opportunities for cost optimization, revenue growth, and financial sustainability initiatives.

Skills & Requirements

- Bachelor's degree in Accounting, Finance, Economics, or a related field (Master's degree or relevant certification such as CFA, ACCA, or CPA is a plus).
- 3-5 years of experience in financial management, accounting, or a similar role.
- Strong knowledge of financial regulations, budgeting, and accounting principles.
- Experience with financial reporting, audits, and compliance.
- Proficiency in financial management software
- Strong analytical, problem-solving, and strategic thinking skills.
- Knowledge of grants, startup funding processes, and financial compliance for early-stage businesses is a plus
- Experience overseeing financial due diligence, documentation, and reporting for startups receiving funding.
- Experience working in a startup environment is a plus.
- Excellent communication skills to present financial information to non-financial stakeholders.

IT Manager

Summary

The IT Manager is responsible for overseeing the technology infrastructure, digital security, and IT operations at the Ilorin Innovation Hub. This role ensures that all IT systems, networks, and digital tools function optimally to support the hub's operations, startups, and community members. The IT Manager will also provide technical support, manage software and hardware assets, and ensure cybersecurity best practices.

Key Responsibilities

- Oversee the IT infrastructure, networks, and systems to ensure optimal performance.

Ahmadu Bello Way, GRA, Ilorin, Kwara State, Nigeria.

contact@ilorininnovationhub.com

www.ilorininnovationhub.com

- Implement and maintain cybersecurity measures to protect the hub's digital assets.
- Manage IT support services, ensuring quick resolution of hardware, software, and network issues.
- Supervise the IT Support Specialists, providing guidance and troubleshooting assistance.
- Oversee the installation, configuration, and maintenance of IT equipment and software.
- Ensure data security, backups, and disaster recovery plans are in place and regularly tested.
- Work with different teams to support tech-enabled programs, hackathons, and training sessions at the hub.
- Research and recommend new technologies, software, and digital tools to improve operations.
- Manage IT procurement, including vendor relationships, contracts, and budgeting.
- Provide technical support for events and facility rentals, ensuring seamless use of audiovisual and digital systems.
- Ensure compliance with IT policies, data protection laws, and best practices.

Skills & Requirements

- Bachelor's degree in Computer Science, Information Technology, or a related field (Certifications such as CCNA, ITIL are a plus).
- 3-5 years of experience in IT management, system administration, or network security.
- Strong knowledge of networking, cybersecurity, cloud computing, and IT infrastructure.
- Experience managing IT support teams and troubleshooting hardware/software issues.
- Knowledge of IT governance, compliance, and data protection regulations.
- Familiarity with IT procurement, vendor management, and budgeting.
- Experience working in a startup or tech hub environment is a plus.
- Ability to analyze and implement emerging technologies to improve efficiency.
- Strong problem-solving skills and the ability to work under pressure.

Front Desk Associate

Summary

The Front Desk Associate serves as the first point of contact for visitors, members, and stakeholders at the Ilorin Innovation Hub. This role is responsible for managing reception duties, handling inquiries, and ensuring smooth day-to-day front desk operations while maintaining a welcoming and professional atmosphere.

Key Responsibilities

- Greet and assist visitors, members, and partners, ensuring a positive first impression.
- Handle in-person, phone, and email inquiries, providing accurate information about the hub's services, events, and facilities.
- Manage visitor sign-ins, appointments, and access control, ensuring security protocols are followed.
- Maintain a tidy and organized reception area that reflects the hub's professional standards.
- Coordinate meeting room and facility bookings, working with the Community Manager and Facility Manager when needed.
- Assist in handling mail, deliveries, and office supplies, ensuring efficient logistics.
- Provide support during events and workshops, assisting with check-ins and guest coordination.
- Direct inquiries and concerns to the appropriate department or staff member for resolution.
- Ensure excellent customer service and a welcoming atmosphere at all times.

Skills & Requirements

- Diploma or Bachelor's degree in Business Administration, Communications, Hospitality, or a related field.
- 1-2 years of experience in a front desk, customer service, or administrative role.
- Strong communication and interpersonal skills to interact with diverse stakeholders.
- Excellent organizational skills and the ability to multitask efficiently.
- Proficiency in Microsoft Office, email management, and basic administrative tools.

Ahmadu Bello Way, GRA, Ilorin, Kwara State, Nigeria.

contact@ilorininnovationhub.com

www.ilorininnovationhub.com

- Professional appearance and a customer-service-oriented mindset.
- Ability to handle inquiries, concerns, and minor conflicts with professionalism and diplomacy.
- Prior experience in a tech hub, coworking space, or innovation center is a plus.

Content & Marketing Lead

Summary

The Content & Marketing Lead is responsible for developing and executing marketing strategies that enhance the visibility, engagement, and brand positioning of the Ilorin Innovation Hub. This role focuses on content creation, digital marketing, and brand storytelling to attract startups, entrepreneurs, and stakeholders while driving community engagement.

Key Responsibilities

- Develop and implement marketing campaigns to promote the hub's programs, events, and services.
- Lead content strategy and creation, including blog posts, newsletters, videos, and other digital content.
- Oversee social media management and engagement, ensuring consistent messaging and brand alignment.
- Collaborate with the Graphics Designer and Social Media Specialist to create compelling visuals and marketing materials.
- Track marketing performance metrics and optimize strategies based on data insights.
- Manage the hub's website and digital presence, ensuring content is up-to-date and relevant.
- Coordinate media relations, partnerships, and PR efforts to enhance brand visibility.
- Support event promotion through email marketing, digital ads, and influencer collaborations.
- Ensure that all content aligns with the hub's mission, values, and target audience.
- Work closely with the Community Manager to drive engagement and participation in hub activities.

Ahmadu Bello Way, GRA, Ilorin, Kwara State, Nigeria.

contact@ilorininnovationhub.com

www.ilorininnovationhub.com

Skills & Requirements

- Bachelor's degree in Marketing, Communications, Journalism, or a related field.
- 3-5 years of experience in content marketing, digital marketing, or brand communications.
- Strong storytelling, writing, and editing skills for digital and social media content.
- Proficiency in SEO, social media marketing, and content strategy.
- Experience with marketing analytics tools (Google Analytics, Meta Ads Manager, etc.).
- Ability to manage multiple projects and campaigns simultaneously.
- Knowledge of email marketing, paid advertising, and digital growth strategies.
- Experience in a startup, tech hub, or innovation-driven environment is a plus.
- Strong collaboration skills, working with designers, community managers, and external partners.

Graphics & Visual Designer

Summary

The Graphics & Visual Designer is responsible for creating visually compelling designs that enhance the Ilorin Innovation Hub's brand identity, digital presence, and marketing efforts. This role ensures that all visual assets—ranging from social media graphics to event branding—are engaging, high-quality, and aligned with the hub's goals.

Key Responsibilities

- Design marketing materials, social media graphics, event flyers, and digital content that align with the hub's brand.
- Collaborate with the Content & Marketing Lead to develop visually appealing storytelling for campaigns.
- Create presentation decks, reports, and infographics to support internal and external communications.
- Ensure brand consistency across all digital and print materials.
- Develop event branding materials, including signage, banners, and promotional assets.

- Edit and optimize images, illustrations, and videos for online and offline use.
- Stay updated on design trends, tools, and best practices to keep the hub's visuals modern and engaging.
- Manage and organize the hub's visual asset library for easy access and reuse.
- Work with external vendors and printers when necessary to ensure high-quality print production.
- Support the team in enhancing presentations and reports with strong visual design.

Skills & Requirements

- Bachelor's degree in Graphic Design, Visual Arts, or a related field (or equivalent hands-on experience).
- 2-4 years of experience in graphic design, branding, or visual content creation.
- Proficiency in Adobe Creative Suite (Photoshop, Illustrator, InDesign, After Effects, etc.).
- Strong understanding of brand identity, typography, and color theory.
- Experience in motion graphics and basic video editing is a plus.
- Ability to translate complex ideas into clear, engaging visuals.
- Strong attention to detail and ability to manage multiple design projects simultaneously.
- Experience working in a startup, tech hub, or innovation-driven environment is a plus.
- Portfolio showcasing previous design work in digital and print media.

IT Support Associate

Summary

The IT Support Associate is responsible for supporting both the technical infrastructure and digital presence of the Ilorin Innovation Hub. This hybrid role combines hands-on IT support with social media assistance and content management. The ideal candidate is tech-savvy, detail-oriented, and comfortable working across IT systems, online platforms, and digital content channels.

Key Responsibilities

IT & Technical Support

- Provide basic technical support for computers, internet, printers, and other IT equipment.
- Assist in the setup, configuration, and maintenance of workstations and hardware.
- Troubleshoot hardware, software, and network issues for staff and members.
- Monitor internet and network performance and escalate issues when necessary.
- Support audio-visual and technical setup for meetings, workshops, and events.
- Assist with system updates, software installations, and cybersecurity best practices.
- Maintain IT support logs and basic documentation of issues and fixes.
- Help educate staff and members on basic tech troubleshooting and digital safety.

Social Media & Content Support

- Assist in creating and scheduling social media posts across key platforms.
- Support engagement through community responses, reposts, and real-time coverage of events.
- Work with the design and marketing team to ensure content aligns with the hub's tone and brand guidelines.
- Track basic performance metrics for digital campaigns using tools like Meta Business Suite or Buffer.

Content Management

- Update and maintain website content using a content management system (CMS).
- Help organize, tag, and manage multimedia files (images, videos, documents).
- Assist in uploading and refreshing digital content such as program descriptions, event updates, and blog posts.
- Ensure accuracy and consistency in posted content across all platforms.
- Coordinate with internal teams to gather and publish relevant content regularly.

Skills & Requirements

- Bachelor's degree in Information Technology, Computer Science, Digital Media, Communications, or a related field.
- 1–3 years of experience in IT support, social media, or content management.
- Working knowledge of Windows/macOS systems, basic networking, and troubleshooting.
- Familiarity with social media platforms and content scheduling tools.
- Experience using CMS platforms (e.g., WordPress or similar) is a plus.
- Basic design or layout skills using tools like Canva or Adobe Express.
- Strong communication skills and attention to detail.
- Ability to multitask and work across technical and creative teams.
- Experience in a tech, startup, or innovation-driven environment is an advantage.
- Experience with AI tools (e.g., ChatGPT, Notion AI, Canva Magic Write, etc.) is a plus.

Front Desk Support (Support Staff)

Summary

The Front Desk Support is the first point of contact for visitors, members, and partners at the Ilorin Innovation Hub. This role is responsible for creating a warm, professional, and organized reception experience, while also providing administrative support to ensure smooth daily operations.

Key Responsibilities

- Greet and welcome visitors, guests, and members in a friendly and professional manner.
- Manage front desk operations including visitor sign-in, access control, and inquiries.
- Answer phone calls, respond to emails, and direct inquiries to the appropriate teams.
- Maintain a clean, organized, and welcoming reception area at all times.
- Assist with booking meeting rooms and coordinating logistics for visitors or sessions.
- Support day-to-day administrative tasks such as filing, printing, and scheduling.
- Receive and distribute packages, deliveries, and correspondence.

Ahmadu Bello Way, GRA, Ilorin, Kwara State, Nigeria.

contact@ilorininnovationhub.com

www.ilorininnovationhub.com

- Maintain an accurate log of daily visitors, vendors, and service providers.
- Provide event-day support including guiding attendees and sharing information.
- Collaborate with the Admin team to ensure efficient facility use and communication flow.

Skills & Requirements

- OND, diploma, or equivalent qualification in Administration, Office Support, or a related field.
- 1–2 years of experience in a customer-facing or administrative role.
- Friendly, professional demeanor with excellent verbal communication skills.
- Strong organizational skills and attention to detail.
- Ability to multitask, prioritize, and remain calm under pressure.
- Familiarity with basic computer tools (e.g., MS Word, Excel, Google Workspace).
- Proactive, courteous, and eager to support others.
- Experience in a startup, innovation space, or coworking environment is a plus.

Facility Technician (Support Staff)

Summary

The Facility Technician is responsible for the day-to-day maintenance and operational support of the Ilorin Innovation Hub's physical infrastructure. This role ensures all technical systems, utilities, and spaces function smoothly and safely. The technician provides hands-on support in electrical, plumbing, mechanical, carpentry, and general maintenance areas to uphold the hub's high facility standards.

Key Responsibilities

- Perform routine inspections and preventive maintenance of facility systems and utilities.
- Conduct basic repairs on electrical, plumbing, air conditioning, and mechanical systems.
- Provide light carpentry support including fixing furniture, fittings, doors, and wooden installations.

- Respond promptly to maintenance issues reported by staff or visitors.
- Assist in setup and teardown for events, including moving furniture and basic AV support.
- Maintain a clean and organized maintenance area, and ensure safe use of tools and materials.
- Monitor inventory of maintenance supplies and report restocking needs.
- Support the Facility Manager in implementing safety protocols and scheduled maintenance plans.
- Maintain accurate service logs and report work completed.
- Ensure all work complies with safety and operational standards.

Skills & Requirements

- OND, technical certification, or training in Electrical Work, Plumbing, Mechanical Maintenance, Carpentry, or a related field.
- 1–3 years of hands-on experience in facility maintenance or technical support.
- Familiarity with basic carpentry and the ability to repair or assemble furniture and fittings.
- Proficiency with tools and equipment used in general building maintenance.
- Strong attention to detail and proactive approach to identifying maintenance needs.
- Good communication skills and ability to follow instructions.
- Physical fitness and readiness to perform manual tasks.
- Flexibility to work weekends or extended hours when required.
- Experience using digital tools is a plus.
