

Administrative Report December 2025

Period: December 2025

Department: Administration & Hospitality

Prepared by: Maureen Okey

Executive Summary

December was a highly productive and operationally smooth month at the Ilorin Innovation Hub (IIH). Administrative operations functioned efficiently, hospitality services adequately supported meetings and events, and cafeteria operations consistently met daily service requirements. No major operational disruptions were recorded.

The department played a central role in ensuring seamless coordination, effective front-facing support for all programs, and a conducive working environment for staff, partners, and visitors as the year concluded.

Several programs and events were successfully delivered in collaboration with both new and existing stakeholders, including partners such as CCHUB and Future Africa. The team worked closely with the Facility and Technical Units to ensure operational alignment and overall success.

Departmental Coordination

- Delivered efficient front desk operations, including visitor management and coordination of private office and meeting room bookings.
- Ensured event coordination and administrative readiness, including registration management and on-ground support.
- Coordinated hospitality services for internal meetings, guest engagements, and partner-led events.
- Maintained effective communication and information flow across departments and with external stakeholders.
- Oversaw facility cleanliness, office ambience, and work environment standards.
- Managed vendor relationships and procurement processes in collaboration with the Finance team.
- Fostered a positive, collaborative, and productive workplace culture.

Front Desk & Visitor Management

- Managed daily visitor flow, ensuring professional reception and courteous engagement.
- Handled increased external visits through structured scheduling and proper documentation.

- Received and processed official correspondence, invitations, and enquiries from innovators, stakeholders, and prospective clients.

Event & Partner Support

- Coordinated logistics and administrative readiness for multiple programs, training sessions, and partner engagements.
- Collaborated with the Technical and Facility teams to ensure smooth event delivery, accurate scheduling, and timely calendar updates.
- Provided hospitality support, including refreshments, materials coordination, and on-site assistance.
- Ensured timely event setup, service delivery, and post-event breakdown.

Facility, Vendor & Procurement Management

- Supervised janitorial services and ensured facility readiness across meeting rooms, VIP lounges, and private workspaces.
- Coordinated procurement of office supplies and consumables to prevent operational shortages.
- Liaised with vendors to ensure timely delivery of goods and services.
- Reviewed and processed invoices for approval and payment while maintaining strong relationships with long-term service providers.

Key Administrative Outcomes

- Delivered effective hospitality management for high-profile events, ensuring timely provision of refreshments and guest services.
- Maintained structured communication with clients and partners, with strong inter-departmental coordination to support events and daily operations.
- Ensured consistent facility cleanliness and ambience, particularly in guest and event areas, through close coordination with the Facility team during the festive period.
- Strengthened front desk professionalism and service delivery through continuous training and skills development for administrative staff.
- Improved cafeteria inventory tracking, vendor performance monitoring, and cost optimization measures.
- Advanced vendor management and payment processes, supporting timely invoice processing, improved supplier relationships, and more efficient logistics and procurement operations.

Recommendations

- Provide additional support for VIP hospitality operations and cafeteria inventory management to sustain service quality during peak periods.
- Deploy temporary or dedicated support staff for inventory handling and logistics during large-scale events to enhance operational flow and reduce turnaround time.

8. Conclusion

The Administrative Department continues to play a pivotal role in delivering operational excellence, seamless coordination, and strong stakeholder and partner engagement.

Throughout December 2025, the team demonstrated a high level of adaptability, commitment, and efficiency in meeting organizational demands. The period also presented valuable learning opportunities that will inform process improvements and capacity strengthening initiatives in the coming year.

Overall, the department is well positioned to build on these achievements while driving continuous improvement and service excellence in the year ahead.
