

Administrative Report – January 2026

Period: January 2026

Department: Administration & Hospitality

Prepared by: Maureen Okey

Executive Summary

January experienced reduced operational activity, largely due to the post-holiday transition period. Administrative efforts during the month focused on routine operations, internal coordination, and facility readiness. Despite the slower pace, selected programs and engagements were successfully supported, ensuring continuity of essential services and prompt resolution of operational matters.

Overall, the month served as a stabilization period, enabling the department to strengthen internal systems, identify operational gaps, and align resources in preparation for increased activity in subsequent months.

Front Desk & Visitor Management

- Managed daily visitor flow, ensuring professional reception and courteous engagement.
- Coordinated external visits through structured scheduling and proper documentation.
- Received and processed official correspondence, invitations, and enquiries from innovators and prospective clients.

Administrative Correspondence and Coordination

- Reviewed and responded to internal and external enquiries in a timely manner.
- Maintained staff welfare and office support through the procurement of essential supplies for staff and the VIP Lounge.
- Ensured continuous coordination with the administrative team via email on payments and operational activities.

Event & Partner Support

- Coordinated logistics and administrative readiness for the Future Africa Accelerator Launch Program, training sessions, and partner engagements.
- Collaborated with Technical and Facility teams to ensure accurate scheduling, smooth event delivery, and timely calendar updates.
- Provided hospitality support, including logistics coordination, refreshments, and on-site assistance.
- Participated in preparatory meetings with the Ministry of Housing and Urban Development for the 14th National Council on Lands, Housing, and Urban Development.
- Ensured timely event setup, service delivery, and post-event breakdown.

Facility, Vendor & Procurement Management

- Supervised janitorial services and ensured facility readiness across meeting rooms and VIP lounges.
- Coordinated procurement of office supplies and consumables to prevent operational shortages.
- Liaised with vendors to ensure timely delivery of goods and services.
- Reviewed and processed invoices for approval, payments, refunds, and outstanding balances, while maintaining strong relationships with long-term service providers.

Events Coordinated

January 5th – 17th

Future Africa Accelerator Launch Program
(Pitch Hall, Workshop Rooms, and VIP Lounge)

The Administrative Department actively supported the Future Africa team by sourcing reliable vendors, supervising refreshments, coordinating logistics, and ensuring guest comfort throughout the event duration. Following the event, a payment request was raised for the engaged food vendor to ensure timely settlement and maintain positive vendor relations.

January 18th – 22nd

Ministry of Housing and Urban Development
14th National Council on Lands, Housing, and Urban Development

Key Administrative Outcomes

- Delivered effective hospitality management for high-profile events, ensuring timely guest services and refreshments.
- Maintained structured communication with clients and partners, supported by strong inter-departmental collaboration.
- Ensured consistent facility cleanliness and ambience, particularly in event areas and the VIP Lounge.
- Strengthened front desk professionalism through continuous staff training and service improvement.
- Improved cafeteria inventory tracking, vendor performance monitoring, and cost optimization.
- Enhanced vendor management and payment processes, resulting in improved supplier relationships and operational efficiency.
- Processed prompt refunds for security deposits, supporting positive and continuous client relations.

Recommendations

- Deploy temporary or dedicated support staff for inventory handling and logistics during large-scale events to improve operational flow and reduce turnaround time, particularly for physically demanding tasks.

Conclusion

Throughout January, the Administrative Department effectively managed office support services, staff welfare resources, facility operations, and event-related logistics. Timely procurement actions and payment processing ensured uninterrupted services and sustained vendor confidence. The insights gained during the period will inform process improvements and capacity strengthening initiatives in the coming months.
