

Administrative Report September 2025

Period: September 1st – October 30th, 1st November - 30th October 2025

Department: Administration

Prepared by: Maureen Okey

Date: 13th December, 2025.

Executive Summary

October and November were highly productive and operationally intensive months at the Ilorin Innovation Hub (IIH). During this review period, administrative operations at the Hub ran efficiently. Hospitality services adequately supported meetings and events, while cafeteria operations met daily service requirements. No major operational disruptions were recorded.

The department played a central role in ensuring seamless coordination, front-facing support for all programs and partner engagements, smooth internal processes, and a conducive work environment for staff, partners, and visitors.

The period recorded over 30 programs and events, including collaborations with partners and clients such as the Kwara State Government, IHS (CCHUB, and Future Africa) UNDP. The team worked closely with the Facility and Technical Units to ensure operational success.

1. Departmental Objectives

- Deliver efficient front desk operations, visitor management, and private office/meeting room bookings.
- Ensure timely event coordination and administrative readiness, including registrations.
- Support hospitality arrangements for meetings and partner events.
- Maintain effective communication flow between departments and external stakeholders.
- Oversee facility cleanliness and office ambience.
- Manage vendor relationships and procurement processes.
- Foster a positive and productive workplace culture.

3. Administrative Operations

Front Desk & Visitor Management

- Managed daily visitor flow, ensuring professional and courteous reception.

- Recorded an increase in partner and external visits, all handled through efficient scheduling.
- Issued invoices, receipts, and booking confirmations.

Event & Partner Support

- Coordinated logistics and administrative readiness for multiple events and training sessions.
- Worked closely with the Technical and Facility teams to ensure smooth event delivery.
- Provided hospitality support (refreshments, materials, and coordination) during partner-led sessions.
- Ensuring timely setup, service, and breakdown of events.

Facility & Logistics Coordination

- Supervised janitorial services and facility readiness (meeting rooms, VIP lounge, and private workspaces) for daily operations and external events.
- Coordinated procurement of office supplies and consumables to prevent shortages.

Vendor & Procurement Management

- Liaised with vendors to ensure timely delivery of materials and services.
- Processed and reviewed invoices for approval and payment.
- Maintained communication with long-term service providers to sustain strong working relationships.

Key Administrative Outcomes

- Smooth reception and coordination for over 2,500 visitors, partners, and delegates during October and November 2025.
- Effective hospitality management for high-profile events.
- Structured communication with clients and partners, and strong logistics alignment across departments during events and regular workdays.

Despite challenges related to event frequency and environmental maintenance, the department maintained a high level of service delivery and operational readiness throughout the review period.

5. Administrative Coordination

- IIH Cafeteria operations and maintaining facility standards and ambience.

- Monitored janitorial schedules and ensured guest areas remained clean and presentable throughout events.

7. Recommendations

1. Conduct monthly facility walkthroughs for the total ambience/ cleanliness of the hub with the Facility teams.
2. Maintain quarterly training for front desk and admin staff to strengthen professionalism and communication skills.
3. Improved inventory tracking for cafeteria supplies / Vendor performance review and cost optimization
4. Establish a structured vendor management and payment system to ensure timely processing of vendor invoices, strengthen supplier relationships, and improve logistics efficiency for prompt procurement and service delivery.

8. Conclusion

The Administrative Department remains at the forefront of ensuring we deliver excellence in service, coordination, and partner relations. October & November 2025 demonstrated the team's adaptability, commitment, and efficiency across diverse programs.
