

IIH Orbit Internship Program Framework

Remote Volunteer Engagement for SIWES & NYSC Corpers

1. Program Summary

IIH Orbit is a structured remote volunteer program designed to engage SIWES students and corps members in promoting IIH programs, activities, and events. Participants contribute online through assigned tasks and serve as a physical volunteer pool for selected events. The program is **unpaid**, but offers visibility, recognition, experience, and priority access to future opportunities.

2. Target Participants

- **SIWES Students** (IT students from universities/polytechnics)
- **NYSC Corpers** (any discipline, with interest in innovation, media, or tech)
- All roles are **remote-first**, with optional in-person volunteer opportunities in Ilorin.

3. Structure & Engagement Levels

Level	Description	Involvement
Orbit Entry	Everyone accepted into the program	Passive: receives updates, event invites, basic access
Active Orbit	Actively participating in online tasks via SweepWidget	Earns points, badges, recognition, volunteer priority
Event Orbit	Available for in-person volunteering	Called up to support IIH events/logistics
Orbit Stars	Top contributors per quarter	Featured online, given recommendation letters, priority for internships
