His Excellency,
The Executive Governor of Kwara State,
Government House,
Ahmadu Bello Way,
GRA, Ilorin, Kwara State.

Your Excellency Sir,

REQUEST FOR RELEASE OF FUNDS TO JOIN AFRILABS INNOVATION HUB NETWORK

In line with our previously approved Activity Plan for Q1-Q2 2021 for the Ilorin Innovation Hub, I write to request the release of **N245,000 (Two hundred and forty-five thousand naira only)** which is the naira equivalent of \$500 (at N490 = \$1) for annual membership of the Afrilabs Innovation Hub Network. This should be budgeted under Code: 0111003, Sub code: 230101, Sub sub code: 23010176.

AfriLabs is a pan-African network organisation of 225 Innovation hubs across 47 African countries. AfriLabs provides a network for technology and innovation centers across Africa to network, collaborate and share knowledge. Beyond connecting hubs across Africa, AfriLabs partners with developmental and corporate organizations to organize capacity building programs and initiatives physically and virtually for tech hubs and their communities.

Membership will give us access to numerous benefits including events, capacity building and training programs, partnerships with other hubs and particularly the AfriLabs Capacity Building Programme (ACBP) which is a 2 million euro, 36-month intensive capacity building programme for hubs. This project is funded by Agence Française de Développement (AFD) through the Digital Africa seed fund.

I ask for your kind approval to proceed with Afrilabs membership registration.

Yours truly,

Temi Kolawole
MD Ilorin Innovation Hub
