His Excellency,
The Executive Governor of Kwara State,
Government House,
Ahmadu Bello Way,
GRA, Ilorin, Kwara State

Your Excellency Sir,

**REPORT ON ADJUSTMENTS MADE TO KWARA STATE INNOVATION &
INFORMATION TECHNOLOGY AGENCY LAW DRAFT BY MINISTRY OF JUSTICE**

On proper assessment of the draft of the KWIITA draft law returned by the Kwara State Ministry of Justice, it has been noted that several presumptuous changes were made, some minor and some major. A list of the noticed edits, their importance and recommendations are attached. I believe the key purposes for establishing this law should not be watered down unknowingly by the Ministry of Justice and I request the changes made be reverted.

I would also like to mention that the experience with Ministry shows an urgent need for digitization or at least following certain word processing standards with the use of soft copy documents, instead of hard copies. It has taken weeks to read and review versions when Microsoft Word can easily allow tracking of changes on the same document.

Yours sincerely,

Temi Kolawole
